This machine was purchased new by Westshore Parks & Recreation Society in 2012 and has been gently used (approx. 400 sharpening's per year) by 2 experienced skate sharpeners ever since and is in excellent used condition.

The machine was used to sharpen WSPR rental skates and the odd set of customer skates.

Payment options include cash, credit, debit, or cheque payable to Westshore Parks & Recreation Society, buyer will be responsible for removal of machine and shipping if necessary.

For questions, please contact Glen Klassen gklassen@wspr.ca
