

# WHAT WE'RE ALL ABOUT

RFABC is here to champion recreation facility operators across B.C. by offering education, support, and resources.

Every year, we keep expanding, offering courses, conferences, and seminars on arenas, pools, building services, parks and sports fields, and leadership. Our membership has grown to over 1,800 individuals from municipalities and recreation based organizations across the province. Together, we form a vibrant and dynamic community.

## → MISSION

We empower recreation professionals to operate safe, efficient, and accessible recreation spaces.

## → VISION

We envision a future where every recreational space in our province operates safely, efficiently, and inclusively.

“  
Joining RFABC opens up a world of resources and connections that'll stick with you for life.
