

Bill Woycik

W.E. "Bill" Woycik was the eighth President (1962-1963) and a long-serving Secretary-Treasurer (1969-1976) of the Association, back when it was known as the BC Arena, Auditorium & Stadium Association.

Bill served his community as Manager of the Prince George Coliseum, later advancing to Civic Properties Manager, Manager of the Civic Properties and Recreation Commission, and ultimately, Director of Civic Properties and Recreation until his retirement in 1987.

Bill sadly passed away in 1991.

In recognition of his meritorious service to the Association, Bill was honoured with an Award of Merit in 1991. This award was presented posthumously to his wife, Florence, and his two daughters, Sherri-Lee and Shirlee-Ann.

To further honour Bill's legacy, a memorial award was established in his name. Each year, this award is presented to one outstanding new or improved facility in the province.
