

Gerry Morgan

This award is named in honour of Gerry Morgan, a long-serving Secretary-Treasurer of the Association (1982-1986 and 1991-1993) and President (1989-1990).

Gerry served as the Superintendent of the Parks & Recreation Department for the Village of Gold River. In recognition of his contributions, the local ice arena, curling rink, and community hall complex was named the Gerry Morgan Memorial Centre.

Gerry was highly dedicated to his work on behalf of the RFABC. As Secretary-Treasurer, he ensured that the Association's financial matters were managed meticulously. Additionally, Gerry acted as the RFABC historian, often providing accurate information on issues either from memory or by consulting his detailed records.

Gerry sadly passed away in 1999.
